

NEWS FROM WORTHING BRANCH 351

Dear Members

Let us hope that by the time this is printed, summer will finally be here!!

We had a very interesting talk from Matthew Phelp about Knepp Rewilding in June which was held at the Audio Active Cafe and also had record attendance of 30 persons. In July we had a talk from Air Ambulance which was good, not the beekeeper unfortunately, he couldn't make it!

We have had complaints from members about the Cafe, it was cramped there and we have decided its not very suitable for our group. We have been making enquiries and found another venue at the Friends Meeting House in Goring Road. We will be giving it a try in August to see if it is suitable, and will let you all know how that pans out!!

A number of us attended the Connaught Theatre to see the Worthing Musical Comedy Society put on a show called "This is our Show", which was a medley of many musicals, and it was brilliant. Their next show is Tuesday 19 – Saturday 23 November "Nativity! The Musical" and it looks like being another brilliant show. We have a few tickets remaining for the Saturday matinee performance if you're interested.

Our meetings then for the rest of the year will be at the Guildbourne Centre, and they are as follows:-

- September - Quinton Postcards by John Chisholm
- October - History of apple growing in Sussex by Peter May
- November - The Not so Idle women of the Canal by Sue and Clive Fennell
- December - We now hold our AGM in December, followed by a buffet lunch.
This event is for members only and free.

We are also running a coach to Horsham on the 11 December priced £5.00.

Next year's annual meal – 22 January held at Field Place Bowling Club 12 noon price £22.

We have had some interest in the trips out provided by Excursions Hub. If you are interested in these, please contact Pam Coombes on 07799 483073, who will provide you with more information about pick-ups etc.

If you need to contact anyone to find out when the next meeting is, or you are interested in joining us at the next Committee meeting, give me or Christine a ring.
