

News from Colchester and Tendring Branch 154

Join colleagues and friends over social meals

MEMBERS of the branch continue to meet regularly for social meals and deal with quarterly meeting business. The two topics are combined as, sadly, the branch has showed very little interest in turning out for specific business meetings.

Three more are left for 2024. They are:

Tuesday September 10, The Cricketers, Fordham Heath

Wednesday, October 30, The Crown, Ardleigh

Tuesday, December 17, Wooden Fender, Ardleigh

The Crown and Wooden Fender are order on the day. But The Cricketers is order in advance from both its main menus ... so plenty of choice!!

In all cases we need to know you are attending by the Friday before each meal. Guests are welcome. There is a £5 rebate for all members attending.

Email or phone at ray.hardisty@btinternet.com or [01206 545062](tel:01206545062)

Please ensure the branch has your contact details

With only four issues of the magazine a year so only four editions of Branch Notes to keep you up to date with the branch and what it is doingit is important the branch has your contact details.

Meal arrangements can change in the long lead in time from Branch Notes to attendance so it is vital that those wishing to attend have arranged, under GDPR, for the branch to hold their details.

We need them to send you details of menus and, of course, any other changes.

We pledge not to use the addresses for purposes other than social

Again, get in touch with Secretary Ray and he will sort out the paperwork with you.
